Subject: WNY Public Information Office Schedule

On Wednesday morning December 14 I will not be in the office in the morning due to a media interview with Mr. Dan Telvock, Investigative Report with the Investigative Post at the Niagara Falls Blvd Removal Site. I will be with Eric Daly the OSC at the site. I can be reached all morning on my government mobile phone. I should be back in the office around 12:30 pm. Mary, my SEE is burning leave and will not be in all day.

The following day, Thursday December 15 we are holding our traditional EPA Christmas breakfast meeting at a nearby restaurant from 9 am - 11 am. We should be back in the office by 11:30 am and definitely reachable on my government mobile phone.

Mary will be using a great deal of leave next week and the week between Christmas and New Years and I am scheduled to be in every day! Have a great day!

Mike Basile, USEPA Region 2

Public Affairs Specialist

WNY Public Information Office
